

Mary Robinson Sierra Leone Visit

27-29 July 2010

Objectives

- Advance a holistic and human rights based approach to addressing maternal health
- Recognize the progress that Sierra Leone has made in establishing free health care to address maternal mortality
- Give visibility to continuing challenges and priorities in addressing maternal mortality and expanding access to reproductive health care
- Recognize the collaboration that Realizing Rights, through the Ministerial Leadership Initiative for Global Health (MLI), has with the Ministry of Health and Sanitation
- Recognize the work of Concern Worldwide in Sierra Leone, particularly related to Gender-Based Violence, nutrition, food security, and maternal and reproductive health.

Schedule of Events

Tuesday, 27 July 2010
